**Corrigendum to 1Q09 results announcement relating to Note 8**

We refer to our results announcement for 1Q09 released on November 7, 2008. Due to an inadvertent administrative error, under the head of Revenue and Net Profit attributable to equity holders of the parent (“Net Profit”) in Note 8 where we compared 1Q09 results against that of 4Q08 - the results for 4Q08 was wrongly stated as "we reported Profit before prior year income tax of US\$0.3 million in 4Q08", which should be stated as "we reported Loss before prior year income tax of US\$0.3 million in 4Q08".
